

First Annual  
***Southeast Tiny Home Festival***  
Clay County, AL  
***September 17th - 18th 2016***

Friends of Clay County,

Since 1987, the Ashland Housing Development Corp, a not-for-profit corporation, has been providing affordable housing and funding community services for residents of Clay County, AL.

In July, in order to provide additional jobs and increase economic development in our rural community, we will open our new park model RV manufacturing facility. In partnership with local government, education and industry partners, we will begin building affordable tiny home trailers, shells and custom tiny homes on wheels. To raise awareness in the national market and to promote Clay County, **we will be giving away a tiny home on wheels in our Tiny Home Giveaway Summer Sweepstakes 2016. (\* must be 18 or older to enter)**

To celebrate the launch of our community development plan, we are partnering with the Clay County Chamber of Commerce to host the **First Annual Southeast Tiny Home Festival in Clay County Alabama, September 16-18, 2016, at the Clay County Economic Development Council Industrial Park and new home of AHDC Manufacturing Facility located at 85240 Hwy 9, Ashland, AL 36251.**

The weekend event will feature tiny home tours, building workshops, demonstrations, artisans, crafts, food and entertainment for the whole family. Marketing for the event will include social media, posters and yard signs, t-shirts, radio advertisements, etc. and attendance is expected to be 3-5,000 for the weekend.

Due to the "tiny home" trend being a new and emerging "hot market", we are confident the festival will attract regional interest and will draw people from across the Southeast United States. The Festival is a great opportunity to showcase the best of Clay County, Ashland, Lineville, local businesses, artist and craftsmen to a wide audience.

Attached is the Schedule of Events and Sponsor & Vendor Application, if you have any questions about the event, would like to register for a booth, become a sponsor, or join the Chamber please contact Tiffany Young at (256) 396-2828.
